

true_type

google::protobuf::internal
::is_same< T, T >

```
graph BT; A[google::protobuf::internal::is_same< T, T >] --> B[true_type]; A --> B;
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'true_type'. The bottom box is gray with a black border and contains the text 'google::protobuf::internal' on the first line and '::is_same< T, T >' on the second line. Two blue arrows originate from the top edge of the bottom box and point upwards to the bottom edge of the top box, indicating a relationship such as inheritance or specialization.
