

Ref

```
graph BT; A[cocostudio::BaseData] --> B[Ref]; A --> B;
```

The diagram consists of a light gray rectangular box at the top containing the text 'Ref'. Below it is a darker gray rectangular box containing the text 'cocostudio::BaseData'. Two dark blue arrows originate from the top edge of the 'cocostudio::BaseData' box and point upwards towards the bottom edge of the 'Ref' box. The arrows are positioned side-by-side, indicating a dual or redundant relationship.

cocostudio::BaseData
