

cocos2d::experimental  
::IAudioPlayer

```
graph BT; A[cocos2d::experimental::PcmAudioPlayer] --> B[cocos2d::experimental::IAudioPlayer];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a gray box representing the base class, `cocos2d::experimental::PcmAudioPlayer`. At the top is a white box representing the derived class, `cocos2d::experimental::IAudioPlayer`. Two blue arrows point upwards from the base class box to the derived class box, indicating that `PcmAudioPlayer` inherits from `IAudioPlayer`.
