

true\_type

google::protobuf::internal  
::is\_floating\_point< long  
double >

```
graph BT; A[google::protobuf::internal::is_floating_point< long double >] --> B[true_type];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'true\_type'. The bottom box is gray with a black border and contains the text 'google::protobuf::internal::is\_floating\_point< long double >'. Two blue arrows originate from the top edge of the gray box and point upwards to the bottom edge of the white box, indicating a relationship or mapping from the function template to the type.
