```
graph BT; A[ev3dev::motor] --> B[ev3dev::device]
```

The diagram illustrates a class inheritance relationship. At the bottom is a box labeled 'ev3dev::motor' with a light gray background. A green arrow points vertically upwards from the top center of this box to the bottom center of a box above it labeled 'ev3dev::device'. The 'ev3dev::device' box has a white background. Both boxes have a black border.
