

FrameLayout

```
graph BT; A[org.cocos2dx.lib.ResizeLayout] --> B[FrameLayout];
```

The diagram illustrates a class inheritance relationship. At the bottom, a gray rectangular box contains the text 'org.cocos2dx.lib.ResizeLayout'. Two blue arrows originate from the top of this box and point upwards to a white rectangular box at the top, which contains the text 'FrameLayout'. This visualizes that 'org.cocos2dx.lib.ResizeLayout' inherits from 'FrameLayout'.

org.cocos2dx.lib.ResizeLayout
