

flatbuffers::Table

```
graph BT; A[flatbuffers::Light3DOption] --> B[flatbuffers::Table];
```

The diagram illustrates an inheritance relationship between two FlatBuffers classes. At the bottom is a gray rectangular box containing the text 'flatbuffers::Light3DOption'. From the top center of this box, two red curved arrows point upwards to the bottom edge of a white rectangular box above it. This white box contains the text 'flatbuffers::Table'. This visualizes that 'flatbuffers::Light3DOption' inherits from 'flatbuffers::Table'.

flatbuffers::Light3DOption
