

false\_

google::protobuf::internal  
::type\_equals\_< A, B >

The diagram illustrates a function call and its return value. A grey rectangular box at the bottom contains the text 'google::protobuf::internal' followed by '::type\_equals\_< A, B >' on the next line. Two blue arrows originate from the top edge of this box and point upwards to a white rectangular box at the top. The white box contains the text 'false\_'. This visualizes the function 'type\_equals\_' returning the value 'false\_'.
