

true\_type

```
graph BT; A["google::protobuf::internal::is_floating_point< float >"] --> B["true_type"]
```

A diagram showing a relationship between two types. At the bottom is a gray rectangular box containing the text `google::protobuf::internal::is_floating_point< float >`. Two blue arrows originate from the top edge of this box and point upwards to the bottom edge of a white rectangular box above it. The white box contains the text `true_type`.

google::protobuf::internal  
::is\_floating\_point< float >
