

true_type

```
graph BT; A["google::protobuf::internal::is_integral< unsigned long >"] --> B["true_type"];
```

A diagram illustrating a relationship between two types. At the bottom is a gray rectangular box containing the text `google::protobuf::internal::is_integral< unsigned long >`. From the top center of this box, two blue arrows point upwards to a white rectangular box at the top containing the text `true_type`. The arrows are positioned side-by-side, suggesting a dual or shared relationship.

google::protobuf::internal
::is_integral< unsigned long >
