

cocos2d::experimental
::AudioDecoder

```
graph BT; A[cocos2d::experimental::AudioDecoderWav] --> B[cocos2d::experimental::AudioDecoder];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a gray box labeled 'cocos2d::experimental::AudioDecoderWav'. A blue arrow points upwards from this box to a white box at the top labeled 'cocos2d::experimental::AudioDecoder'. This indicates that 'AudioDecoderWav' inherits from 'AudioDecoder'.
